Dust King Options

FLO-KWIP

Suction Hose & Rack

- 6 metre suction hose with strainer so that the pump can be used for 'self-filling' the tank
- Galvanised rack for storage of suction hose

Remote Control for Dust Spray

- Electric solenoid valve for the dust spray
- Hand-held remote allowing the dust spray to be turned on and off from the cabin of the vehicle

Upgrade to All Terrain Tyres

- Ideal for use on rough terrain and/or muddy sites
- Gives the trailer that added 'tough look'
- Extra grip for safety

Petrol Powered Pressure Blaster

- Choose from a range of pressure blasters that can be included on your trailer
- Ideal for cleaning machinery onsite

Upgrade to Professional Washdown Gun

- Selectable spray patterns
- Aluminium construction with stainless steel components
- High efficiency so you can work faster

Diesel Powered Pump Upgrade

- Electric start
- Yanmar diesel engine

Spray Bar

- Quality steel construction
- Perfect for dust suppression on construction sites
- Pressure Spray for road cleaning
- Dribble spray bar for dust suppression
